Sub: TENDER FOR PRINTING OF CONFIDENTIAL MATERIAL

Sealed Tenders are invited, AT THE ADDRESS MENTIONED ABOVE, OF THE UNDERSIGNED, PERSONALLY DELIVERING IT BY HAND, for printing of the question papers in the most confidential manner as detailed below:-

High quality printing of question papers is required to be carried out by offset security presses **that do only question paper printing for various State Education Boards, Public Universities, Public Examination Institutions etc. SECRECY AND SELF-SUFFICIENCY IS OF UTMOST IMPORTANCE.**

Presses fulfilling the above conditions may send their Tender as per para 21 of this letter. It should be kept in a sealed envelope bearing name of the addressee as given and should be super-scribed "Confidential Printing -2018-19-20 (Part-B: Request for Proposal)". This should be enclosed in an outer cover

without giving the name of the Printer and should be delivered BY HAND on the above mentioned address between 8.30 a.m. to 10.00 a.m. everyday and latest by 3.00p.m. to reach the undersigned on 27/9/2018.

Technical details are given in the succeeding paragraphs.

Basic Format of Question Papers

- 1) Question papers will either be in the form of a booklet containing questions and their answers of regular question papers of size 21 cm × 27 cm varying from 2 to 16 pages. Questions will be of multiple choice, objective type/or otherwise.(Statement showing list of subjects, approximate quantity of question papers required is annexed hereto as **Annexure-A & B**. Specimens of QPS are available on the website of the Board for observation.)
- 2) Printing will be done on both sides of the paper. Except the language papers, other question papers will be printed in three languages viz. Gujarati(G), Hindi(H) and English(E). In some subjects, Gujarati, Hindi and English question papers will be required to be bonded together. For example Gujarati & English together or Gujarati, Hindi & English together.
- 3) **As far as possible, 8 question should be printed on each page and 3 question for mathematics' paper of multiple/objective type, leaving 8 cm blank space at the bottom or on the right side margin as suggested by the Board.**
- 4) Question Booklets/Question Papers shall be stapled on left side at two suitable places, the pages should have folds on the left hand side(as per the sample to be provided), so that even if the staples are removed the pages should NOT get opened from left hand side. Then, 1 (One) sticker is to be put in the middle so that one is unable to read the questions by peeping through the Question Booklet.

Quality of Paper:

- 5) Paper used shall be white 60 GSM cream wove paper of an 'A' grade mills like HPC, Bellarpur, TNPL etc.

Photocomposing:

- 6) The question paper will be photocomposed on a Computerized Desk Top Publishing System (using laser printers) in **10** point for English text and **12** point for Hindi text. Manual composing will not be allowed.
- 7) Diagrams, if any, will also be made on the DTP system and not by hand.

Proof Reading:

- 8) Proof reading, proof correction with secrecy will be the sole responsibility of the Printer. NO OFFICER OF THE BOARD IS PERMITTED TO SEE THE PROOFS. Press will ensure that Gujarati, Hindi and English versions tally with each other.

Multiple Sets:

- 9) In booklet type of question papers, containing multiple choices of questions, thirty sets of jumbled booklets (A, B, C, D) will be printed in the manner that they will be containing the same questions but their order is thoroughly jumbled in different sets so that the sequence and choices are totally changed in every set. The code of each of 30 booklets, as per Board's requirement, shall be printed on the cover page. The manuscript must not be treated as Set. The order of the sequence of Questions in the manuscript should be jumbled each time to have 30 number of different sets as instructed by the Board.

Printing:

- 10) Printing should be of a high quality using only offset printing machines. Printing on treadle machines is not acceptable.

Numbering:

- 11) All booklets will be numbered sequentially on the cover page in red ink using printing machines. Manual numbering is not acceptable. Space for writing seat number (by the candidate) will also be provided on the top of the cover page as directed by the Board.
- 12) Numbering will be different for different sets. These numbers must be indicated on the labels while packing the question papers.
- 13) All pages of Test Booklets (Question Papers) should be given a serial number of pages should be printed on the front cover. Every Test Booklets should contain all the pages in serial order. Pages should not be found missing and the booklets should not contain duplicate pages.

Binding:

- 14) The question papers should be counted in maximum units of 30 and then packed inside inner envelop of 80 GSM Craft Paper. This inner envelop is to be further packed in outer 100 GSM Craft Cloth Lined Envelop. The outer cloth lined envelop will have label pasted on all joint of envelope and wax sealed at two places on closing flap. This outer cloth lined envelop will have label pasted on it as per sample provided.
- 15) The labels on the top will contain the Code & Subject No. of question papers, Serial No. of Question papers, Packet No., Set etc. and other details as asked for by the Board.

Packing:

- 16) These sealed packets in specified numbers shall then be placed inside cardboard carton with polythene lining all around. The carton shall then be properly closed, covered again with polythene wrapping and stitched in Hessian cloth and labeled as per instructions given by the Board. Finally, they are to be sealed using heat sealed one inch wide plastic strips. If water percolates inside the carton for any reason, damaging the question booklets, heavy penalty will be imposed.
- 17) Challan (Packing Memo) showing the number of packets and serial no. of question papers has to be supplied. Cardboard boxes should be numbered serially or centre wise as specified in order and should contain the question papers in ascending serial numbers.
- 18) The Printer will collect manuscripts from the Chairman of the Board maintaining full secrecy as and when required.
- 19) About 5(five) weeks, time will be given for printing and supplying the material to the Board. For delay in the supply of printed material to the Board, penalty @ 25,000/- per day will be imposed on the Printer.

Penalty:

- 20) Penalty shall be imposed on the printer for the following, at the discretion of the Board:
 - a) Printing errors
 - b) Use of inferior quality paper
 - c) Variation in size

- d) Delay in Supply
- e) Binding mistakes such as missing of some pages, duplicate pages in question booklets/QPs etc.
- f) Any other non-compliance of Specifications given in the work order. In case of leakage of question paper(s) at the Printer's end, heavy penalty will be imposed on the printer and he will be blacklisted forever.
- g) Packing of the question papers of one subject with the question papers of another subject or mixing or pages of two or more subjects in a question booklet.
- h) Printing wrong examinations code, wrong subject's code etc. on the question paper or on the envelope.
- i) Sending less number of cartons and/or less number of Question Booklets/QPs in each packet than specified in the docket sent along with the material.

In such cases the Board will not only impose penalty on the Printer, he will also be required to print such question paper once again without being paid for the same.
